

Linkin Park - Until I'ts Gone

Tom: G

Em

A fire needs a space to burn

A breath to build a glow

I've heard it said a thousand times

But now I know

That you don't know what you've got

Oh you don't know what you've got

No you don't know what you've got

Until it's gone

Until it's gone

Until it's gone

(Em G) 4x

I thought I kept you safe and sound

I thought I made you strong

But something made me realize

That I was wrong

'Cause finding what you got sometimes

Is finding it alone

And I can finally see your light

When I let go

'Cause you don't know what you've got

Until it's gone

Until it's gone

Until it's gone

Em G C Am
Em G

Until it's gone

Until it's gone

Until it's gone

Until it's gone

Until it's gone

Until it's gone

'Cause you don't know what you've got

Oh you don't know what you've got

No you don't know what you've got

It's your battle to be fought

No you don't know what you've got

'Til it's gone
