

Lionel Richie - Penny Lover

Tom: G

The first time I saw you
Oh, you looked so fine
And I had a feeling
One day you'd be mine
Honey, you came along and captured my heart
Now my love is somewhere lost in your kiss
When I'm all alone it's you that I miss
Girl, a love like yours is hard to resist

Penny lover, my love's on fire
Penny lover, you're my one desire
Tell me baby, could this be true
That I could need someone like I need you

Nights, warm and tender
Lying next to you
Girl, I surrender

What more can I do
I spent all of my life in search of your love
Now there's one thing I want to say
Don't you ever take your sweet love away
Girl, I'll do anything just please stay

I don't understand it
Oh, what's come over me
But I'm not gonna worry
Oh, not anymore
'Cos when a man's in love
He's only got one story
That's why my love is somewhere lost in your kiss
When I'm lost and alone it's you that I miss
With a love like yours it's hard to resist

Penny lover, don't you walk on by
Penny lover, don't you make me cry
To fade
