

## **Lisa Stansfield - Baby Come Back**

```
Tom: Bb
   (intro): C Am C Am Dm
Spending all my nights. all my money going out of the town
Doing anything just to get you off of my mind {\color{black}\mathbf{C}}
But when the morning comes and I'm back where I started again
Trying to forget you is just a waste of time
(Chorus):
Baby come back
             Am
Any kind of fool could see
There was something in everything about you
           Bb7
Baby come back
                 \mathsf{Am}
You can blame it all on me
     Gm
                 Am
I was wrong and I just can't live without you
(Hook): C Am
All day long wearing a mask of false bravado
```

```
Trying to keep up a smile that hides a tear
But as the sun goes down I get that empty feeling again
                           Dm D7
How I wish to God that you were here
(Chorus):
Baby come back
Any kind of fool could see
          Gm
                     Am
There was something in everything about you
          Bb7
Baby come back
                Am
You can blame it all on me
                                   Dm Eb7/11 C C Ab7
     Gm
                Am
I was wrong and I just can't live without you
(Bridge):
Now that I've pulled it up all together
Give me the chance to make you see
                         Eb7
Have you used up all the love in your heart
Is there nothing left for me, is there nothing left for me
(Chorus)...
```

## **Acordes**
