C
I know I'm probably better off on my own G

What he had when he had it

G
Never again, I just wish F

Like the back of my hand
Am
And I just miss you, and
G
I just wish you were a better man F
C
A better man

And it's always on your terms
F
I'm hanging on every careless word
G
Hoping it might turn sweet again F
F
Like it was in the beginning

You're talking down to me like I'll always be around

You push my love away like it's some kind of loaded
G

Boy, you never thought I'd run

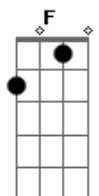

C
Sometimes, in the middle of the night,

I can feel you again

But I just miss you, and
G
I just wish you were a better man F
