

Little Bug - I'm a Prison

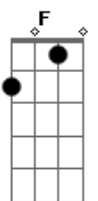

tom:
Dm Dm F
I was so happy for
Such a long time
C Gm
But I knew that it was
Too good to be true
Dm
I am a prison
F
Locked up from the inside
C
I swear I built these walls so high
Gm
No-one could ever break in
Dm
You are a criminal
F
You confessed that you belonged inside
C Gm
You said that you deserved a life behind bars
Dm
I hope you got what you wanted
F
I hope that those pretty lips tasted like
C
The letters I wrote you
Gm
And I hope that when she touches you
Dm
It eats you alive
F
I bet she was lovely
Innocent
C
They say she's nice
I am a prison, but
Gm

You lived out your sentence
Dm
Maybe you can call her
F
I bet she would pick you up
C
And I'm so fucking tired
Gm
I think I need assistance
Dm
I can't stop shaking
F
Is this what poets describe when they say: Love? C
I'm a cemetery
Gm
But you're an empty casket
Dm
I'm tired of loving you, (my) god
F
I don't want to hold you captive
C
I'm tired of loving you, (my) god
Gm
I don't want to hold you captive
Dm
I'm a prison
I fell in love
F
I'm a prison
I'm locked up
C
I'm a prison
You were a criminal
Gm
I'm a prison
You're behind bars
