

Little Bug - I'm a Prison

tom:
 Dm Dm
 I was so happy for F
 Such a long time C Gm
 But I knew that it was
 Too good to be true Dm
 I am a prison F
 Locked up from the inside C
 I swear I built these walls so high Gm
 No-one could ever break in Dm
 You are a criminal F
 You confessed that you belonged inside C Gm
 You said that you deserved a life behind bars
 Dm
 I hope you got what you wanted F
 I hope that those pretty lips tasted like C
 The letters I wrote you Gm
 And I hope that when she touches you Dm
 It eats you alive F
 I bet she was lovely
 Innocent C
 They say she's nice
 I am a prison, but Gm
