

# Little Mix - Cannonball

Tom: F

There's still a little bit of your taste in my mouth  
 There's still a little bit of you laced with my doubt  
 It's still a little hard to say what's going on  
 There's still a little bit of your ghost, your witness  
 There's still a little bit of your face I haven't kissed  
 You step a little closer each day  
 That I can't say what's going on  
 Stones taught me to fly  
 Love taught me to lie  
 Life taught me to die  
 So it's not hard to fall  
 When you've flown like a cannonball  
 There's still a little bit of your song in my ear  
 There's still a little bit of your words I long to hear  
 You step a little closer to me  
 So close, I can't see what's going on  
 Stones taught me to fly  
 Love taught me to lie  
 Life taught me to die  
 So it's not hard to fall  
 When you've flown like a cannonball

Love taught me to lie  
 Life taught me to die  
 So come on courage  
 Teach me to be shy  
 when you know that you just don't know  
 Stones taught me to fly  
 Love taught me to lie  
 (key change)  
 So come on courage, teach me to be shy  
 Cause its not hard to fall  
 When you've flown like a cannonball  
 Stones taught me to fly  
 Love taught me to cry  
 So come on courage, teach me to be shy  
 Cause its not hard to fall  
 And I don't wanna scare him  
 Its not hard to fall  
 And I don't want to lose  
 Its not hard to fall  
 When you've flown like a cannonball.
