```
                 Am                            F
We wanna celebrate like we in the club every day
          Dm
Got all my friends here with me
             E
And I don't need ya, I don't need ya
            Am
Got this dress up on me
                 F
So I don't need your stress up on me
             Dm
Baby, we're done, c'est la vie
             E
Now I don't need ya, I don't need ya

                       Am
Should've left your ass from time ago
             F
Didn't love me then, but now I do
               Dm
I used to sit at home and cry for you
             E
Diamonds on my neck, I shine for you
                   Am
Ain't blocking my blessings anymore
             F
Never be the girl I was before
         Dm                            E
I'ma let the good things in my lif? rain down

                       Am
From the sky, drop like confetti
         F         Dm
All ?yes on me, so V.I.P
         E                             Am
All of my dreams, from the sky, drop like confetti
Drop it down
             F              Dm
You're missin' me, but I'm finally free
         E                             Am
I got what I need, so let it rain down like confetti

                           F
Flashing lights, I ain't got no worry on my mind
             Dm
Know that you're mad, I realised
             E
That I don't need ya, I don't need ya
      Am             F
So, DJ, say my name like it's my birthday
          Dm
You're just a memory
             E
And, boy, I don't need ya, I don't need ya

                 Am
Should've left your ass from time ago (time ago)
             F
Didn't love me then, but now I do (now I do)
         Dm                            E
I'ma let the good things in my life rain down

                       Am
From the sky, drop like confetti
```

```
             F         Dm
All ?yes on me, so V.I.P
         E                             Am
All of my dreams, from the sky, drop like confetti

Drop it down
             F              Dm
You're missin' me, but I'm finally free
         E                             Am
I got what I need, so let it rain down like confetti

(Oh, la-la-la)
             F
Let it rain down

(Oh, la-la-la)
             Dm
Let it rain down

(Oh, la-la-la)
             E
Let it rain down

(Oh, la-la-la)
         Am                      F
'Cause (I, I, I) i'm gon' live my life
             Dm
Can't kill my vibe
             E
I'm doin' so much better

Am                                  F
I, (I'm so good tonight) i'm so good tonight
(Good things in my life)
             Dm                            E
So I'ma let the good things in my life rain down

                       Am
From the sky, drop like confetti
             F         Dm
All ?yes on me, so V.I.P
         E                             Am
All of my dreams, from the sky, drop like confetti

Drop it down
             F              Dm
You're missin' me, but I'm finally free
