

Little Mix - Gloves Up

tom:
Intro: Up purrrup, put ya, put ya, put ya gloves up

Up purrrup, put 'em all the way up

Up purrrup, put ya, put ya, put ya gloves up

Boy, you better put 'em high

[Primeira Parte]

Sweat on the carpet, blood on the walls

Nothin' can stop me, stop the applause

They thought I was over, down on the floor

Ain't tappin' out, see me comin' for more

Start a riot, ruckus and rage

Ready to rumble, ain't scared of the pain

Shots to my body, no tears on my face

Ain't throwin' the towel in or runnin' away

[Pré-Refrão]

Ooh, can't nobody tell me nothin'

Just know, I'm gonna be startin' somethin'

[Refrão]

I, I got my eyes on the prize

Fight 'til the day that I die

Can't knock me down and that's why

I got 'em all the way up

Takin' this moment, it's mine

Brighter than bright I will shine

Can't knock me down and that's why

I got 'em all the way up

Up purrrup, put ya, put ya, put ya gloves up

Up purrrup, put 'em all the way up (all the way up)

Up purrrup, put ya, put ya, put ya gloves up

Bm

Boy, you better put 'em high

[Segunda Parte]

Baby, I'm gunnin', gunnin' for gold

'Cause I'm been breakin', breakin' the mould

We'll rewrite the history pages, believe that

Make sure they don't forget

Change the green to red

Legend of the four divas
