

# Little Mix - I Will Wait

Tom: **F**  
Intro: **F Bb F C**

**F**  
Well I came home  
**Bb**  
Like a stone  
**F C**  
And I fell heavy into your arms

**F**  
These days of darkness  
**Bb**  
Which we've known  
**F C**  
Will blow away with this new sun

Pre-Chorus:  
**Dm C F**  
And I'll kneel down  
**Bb F C**  
Wait for now  
**Dm C F**  
And I'll kneel down  
**Bb F C**  
Know my ground

Chorus:  
**F Am C**  
I will wait, I will wait for you!  
**F Am C**  
And I will wait, I will wait for you!

**F Bb**

**F**  
So break my step  
**Bb**  
And relent  
**F C**  
You forgave and I won't forget  
**F**  
Know what we've seen  
**Bb**  
And him with less  
**F C**  
Now in some way, shake the excess

**F Am C**  
I will wait, I will wait for you!  
**F Am C**

And I will wait, I will wait for you!  
**F Am C**  
I will wait, I will wait for you!  
**F Am C**  
And I will wait, I will wait for you!

**F**  
Now I'll be bold  
**Bb**  
As well as strong  
**F C**  
Use my head alongside my heart  
**F**  
So take my flesh  
**Bb**  
And fix my eyes  
**F C**  
That tethered mind free from the lies

**Dm C F**  
And I'll kneel down  
**Bb F C**  
Wait for now  
**Dm C F**  
And I'll kneel down  
**Bb F C**  
Know my ground

**F C Dm Bb F C (2x)**  
I wait for you

**F C Dm**  
Raise my hands  
**Bb F C**  
Paint my spirit gold  
**F C Dm**  
And bow my head  
**Bb F C**  
Keep my heart slow

**F Am C**  
I will wait, I will wait for you! (I will wait for you)  
**F Am C**  
And I will wait, I will wait for you! (For you, for you)  
**F Am C**  
I will wait, I will wait for you!  
**F Am C**  
And I will wait, I will wait for you!

**F**  
Wait for you
