

Little Mix - Little Me

Tom: Ab

She lives in the shadow of a lonely girl
Body's so quiet you don't hear a word
Always talking but you can't be heard

You can see it there if you catch her eye
You know she's brave but it's trapped inside
Scared to talk but she don't know why

Wish I knew back then what I know now
Wish I could somehow go back in time
And maybe listen to my own advice

I'd tell her to speak up
Tell her to shout out
Talk a bit louder
Be a bit prouder
Tell her she's beautiful, wonderful
Everything she doesn't see

You gotta speak up
You gotta shout out
And know that right here right now
You could be beautiful, wonderful
Anything you wanna be
Little me

Yeah, you got a lot of time to act your age
You can't write a book from a single page
Hands of a clock only turn one way

Goin' too fast and risk it all
Can't be afraid to take a fall
Felt so big but she looked so small

Wish I knew back then what I know now
Wish I could somehow go back in time
And maybe listen to my own advice

I'd tell her to speak up
Tell her to shout out
Talk a bit louder
Be a bit prouder
Tell her she's beautiful, wonderful

Everything she doesn't see

You gotta speak up
You gotta shout out
And know that right here right now
You could be beautiful, wonderful
Anything you wanna be
Little me
Little me, yeah
Ahh
Tell her one thing I would say

I'd tell her to speak up
Tell her to shout out
Talk a bit louder
Be a bit prouder
Tell her she's beautiful, wonderful
Everything she doesn't see

You gotta speak up
You gotta shout out
And know that right here right now
You could be beautiful, wonderful
Anything you wanna be

I'd tell her to speak up
Tell her to shout out
Talk a bit louder
Be a bit prouder
Tell her she's beautiful, wonderful
Everything she doesn't see

You gotta speak up
You gotta shout out
And know that right here right now
You could be beautiful, wonderful
Anything you wanna be

(this Chorus is acapella but the chords still work)

I'd tell her to speak up
Tell her to shout out
Talk a bit louder
Be a bit prouder
Tell her she's beautiful, wonderful

Everything she doesn't see

You gotta speak up

You gotta shout out

And know that right here right now

You could be beautiful, wonderful

Anything you wanna be
Little me
