

Little Mix - Love Drunk

Tom: **F**

F
Can't breathe, can't sleep, crazy, what you do to me
Bb
Head is smokin', feeling my heart is open
F
So hazy, but it's alright, you take me, to the dark side
Bb
Dangerous, but I'm fearless

F
My eyes are blue but I'm seeing red
And I just can't shake you outta my head
Maybe maybe maybe, maybe maybe maybe

F
I'm a little bit love drunk
Ever get the feeling when you're miles away
Bb
Everybody's looking at me walking, stumbling
F
Hardly talking, mumbling, going red in the face
Promise I've been drinkin' only lemonade, it's all I take
Bb
My hearts just on one about someone

F
And I'm a little bit love drunk

F
Feelin' so hot, I'm taking your clothes off
Bb
Glasses steamed up, I'm dreaming that no one can see us

F **Bb**
Lying underneath the stars, Jupiter hits on Mars
And it hits me so hard

F
My eyes are blue but I'm seeing red
And I just can't shake you outta my head
Maybe maybe maybe, maybe maybe maybe

F
I'm a little bit love drunk
Ever get the feeling when you're miles away
Bb
Everybody's looking at me walking, stumbling
F
Hardly talking, mumbling, going red in the face
Promise I've been drinkin' only lemonade, it's all I take
Bb
My hearts just on one about someone
F

And I'm a little bit love drunk

Drippin' out on the floor
B
Freaking out for sure
F
Still I need you more
You knock me down with those eyes
Bb
And do it every time
Can't shake you out of my mind

F
Just a little bit love drunk, head in the clouds
And that will never be a hater that can bring us down
Bb
I've been slurring my words and I don't know what to say
But it's a feeling that I believe in, never felt this way

F
And I swear I don't even like Hennessy
They call me love drunk cuz I'm far from tipsy
Bb
They call me love drunk, what are you doing to me?
They call me love drunk cuz I'm far from tipsy
F

My eyes are blue but I'm seeing red
And I just can't shake you outta my head
I'm getting so hot that I'm getting cold
I'm a feverish and I'm about to blow
Maybe maybe maybe, maybe maybe maybe, maybe maybe maybe

F
I'm a little bit love drunk
Ever get the feeling when you're miles away
Bb
Everybody's looking at me walking, stumbling
F
Hardly talking, mumbling, going red in the face
Promise I've been drinkin' only lemonade, it's all I take
Bb
My hearts just on one about someone

F
And I'm a little bit love drunk

I'm a little bit love drunk
Bb
I'm a little bit love drunk
I'm a little bit love drunk

I'm a little bit love drunk
F
My eyes are blue but I'm seeing red
Bb
I'm a little bit love drunk
