

# Little Mix - Move

Tom: **Db**

**Ab** (todo o verso)  
 Hey baby  
 Tell me your name  
 I gotta fever for you  
 I just can't explain  
 But there's just one problem  
 I'm a bit old school  
 When it comes to lovin'  
 I ain't chasing you  
 Been waiting  
 I'm on a roll  
 You've got to let yourself go

**Ab**  
 Whoa  
**Db** **Ab**  
 You know that I've been waiting for you  
**Db** **Ab**  
 Don't leave me standing all by myself  
**Db** **Ab**  
 Cause I ain't looking at no one else

**Ab** (todo o refrão)  
 Hey  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot  
 I think that I might fall  
 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

**Ab** (Todo o verso)  
 Hey  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot  
 I think that I might fall  
 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

**Ab** (todo o verso)  
 Oh silly  
 Why you afraid  
 Don't be a big baby  
 Quit playing games  
 And put your arms around me  
 You know what to do  
 And we can take it down low

**Ab**  
 Whoa  
**Db** **Ab**  
 You know that I've been waiting for you  
**Db** **Ab**  
 Don't leave me standing all by myself  
**Db** **Ab**  
 Cause I ain't looking at no one else  
 Looking at no one else

**Ab**  
 Hey  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot  
 I think that I might fall  
 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

**Ab**  
 Hey  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot

 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

**Ab**  
 I know that you wanna  
 But you can't cause you gotta

**Db**  
 Stay cool in the corner **Ab**

When the truth is that you wanna move **Ab**  
 So move  
 I know that you wanna  
 But you can't cause you gotta

**Db**  
 Stay cool in the corner **Ab**

When the truth is that you wanna move **Ab**  
 So move

**Ab**  
 Move it baby, whoa  
**Db** **Ab**  
 You know that I've been waiting for you  
**Db** **Ab**  
 Don't leave me standing all by myself  
**Db** **Ab**  
 Cause I ain't looking at no one else  
 Looking at no one else  
 Looking at no one else

**Ab**  
 Hey! Hey!  
 I'm ready, hey  
 So come and get me  
**Db**  
 Don't be scared  
 Show me what you do  
 Don't you know a girl  
 Like a boy who move

**Ab**  
 Hey! Hey!  
 I'm ready, hey  
 So come and get me  
**Db**  
 Don't be scared  
 Show me what you do  
 Don't you know a girl  
 Like a boy who move

**Ab**  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot  
 I think that I might fall  
 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

**Ab**  
 I'm ready, hey  
 Boy come and get me  
**Db**  
 Don't be scared  
 Show me what you do  
 Don't you know a girl  
 Like a boy who move
