C Taste Em

D Of the good life, can you keep pace? Can you

Ride shotgun in the fast lane with your eyes wide shut?

Em Tell me, do you have faith in me?

C Stay Em

D The whole night 'til you feel the sun rays, can you

Forget everything your man sayin'

And let all of our pain be the champagne?

C Let me take the wheel from here

Em And penthouse suite, chill from here D

Show you the realest years, stare at the skies with you

Only got eyes for you

Even when the light's off, I'm visualizing you Em

C I see your wonderwall, I get close to you

I watch you let it fall and get it emotional D

Erase the past, we are free at last

I'm beggin' please don't play
