

Little Mix - Pretend It's Ok

Tom: C

What would you do? What would you say?^{Am}
 How does it feel? Pretend it's OK^G
 My eyes deceive me, but it's still the same^{Dm}
 Pretend it's OK^{Am}

^{Am} I remember the day when we were out all night^G
 I wish that I can get the day back and tell you it's alright^{Dm}
 Cause we all do the same thing, we just don't realize^{Am}
 That we're living on borrowed time^G

What would you do? What would you say?^F
 How does it feel? Pretend it's OK^C
 My eyes deceive me, but it's still the same^F
 Pretend it's OK^C

^{Am} I see the light that I'm chasing^{(Dm) Am}
 A memory, but it's fading^G
 When it's gone I'll be waiting
 Knowing it's too late (knowing it's too late)^{Dm}

You chose the road that I'm walking
 Now it's your soul that I'm caught in
^{Am} And you're not hearing when I'm calling
^G Calling your name

^{Am} One breath, one step, one life, one heart
 Two words, two eyes, new beginning, new start^G
^{Dm} Too neat, too narrow, too short, too bright,

I'm there with you, here by my side^{Am G}

What would you do? What would you say?^F
 How does it feel? Pretend it's OK^C
 My eyes deceive me, but it's still the same^F
 Pretend it's OK^C

^{Am} Nothing here, no one talking, knowing it's too late^G
 But sometimes it can get so hard pretending it's OK^{Dm}
 Nothing here, no one talking, nothing's gonna change^{Am}
 But sometimes it can get so hard pretending it's OK^G

What would you do? (what would you do?)^F
 What would you say? (what would you say?)^C
 How does it feel? Pretend it's OK^F
 My eyes deceive me, but it's still the same^C
 Pretend it's OK

What would you do? (what would you do?)^F
 What would you say? (what would you say?)^C
 How does it feel? Pretend it's OK^F
 My eyes deceive me, but it's still the same^C
 Pretend it's OK

Oh yeah
^F What would you do? What would you say?^C

Pretending it's OK^F
 What would you do? What would you say?^(C)
