

Little Mix - Reggaetón Lento

Tom: G

Boy, I can see the way you dancing, move that body
 I know it's crazy, but I feel like you could be
 The one that I've been chasing in my dreams
 Boy, I can see you're looking at me like you want it
 Oh, usually I'm like, "Whatever," but tonight
 The way you moving got me with my mind

It started when I looked in her eyes
 I got close and I'm like "Bailemos" (hey)
 La noche está para un reggaetón lento (ehe)
 De esos que no se bailan hace tiempo (ooh)
 Yo sólo la miré y me gustó
 Me pegué y la invité: "Bailemos?" (hey)
 So now we dancing un reggaetón lento
 Just get a little closer, baby, let go

Excuse me baby boy, just had to dance with you now
 See there's nobody in here that comes close to you, no
 Your hands are on my waist, my lips you wanna taste
 Come muévete, muévete, muévete
 Our bodies on fire, with full of desire
 If you feel what I feel, throw your hands up higher
 And to all the ladies around the world
 Go ahead and muévete, muévete, muévete

It started when I looked in her eyes
 I got close and I'm like "Bailemos" (hey)
 La noche está para un reggaetón lento (ehe)
 De esos que no se bailan hace tiempo (ooh)
 Yo sólo la miré y me gustó
 Me pegué y la invité: "Bailemos?" (hey)
 So now we dancing un reggaetón lento
 Just get a little closer, baby, let go

Do you know I like you when I take you to the floor (the floor)
 I know you like this reggaetón lento (lento)

This ain't stopping, baby, 'til I say so
 Come get, come get some more

Boy, I wish that this could last forever
 'Cause every second by your side is heaven
 Oh, come give me that, give me that boom, boom, boom, oh
 I tell you, baby, you, baby, you get me hotter
 Loving made me sick, made me sick, you're my doctor
 Don't you know you're playing with fire tonight
 Can we get it right here one more time

It started when I looked in her eyes
 I got close and I'm like "Bailemos" (hey)
 La noche está para un reggaetón lento (ehe)
 De esos que no se bailan hace tiempo (ooh)
 Yo sólo la miré y me gustó
 Me pegué y la invité: "Bailemos?" (hey)
 So now we dancing un reggaetón lento
 Just get a little closer, baby, let go

Yo sólo la miré y me gustó
 Me pegué y la invité: "Bailemos?" (hey)
 La noche está para un reggaetón lento
 De esos que no se bailan hace tiempo (ooh)

It started when I looked in her eyes
 I got close and I'm like "Bailemos" (hey)
 So now we dancing un reggaetón lento
 Just get a little closer, baby, let go

Muévete, muévete
 Báilalo, báilalo
 So now we dancing un reggaetón lento
 Let's get a little closer, slow the tempo
 Muévete, muévete (just dance with me now)

Drop it low, drop it low
 So now we dancing un reggaetón lento
 Just get a little closer, baby, let's go
