

Little Mix - The End

Tom: **D**

(com acordes na forma de **C**)

Capostrate na 2ª casa

I can't keep breaking up with you

You messed with my heart baby

Now it's black and blue

But love isn't fair

So I swear

That this time

This is the end

[Verse]

And I can't keep lying

Lying to myself

Oh I'm thinking you'll love me right

But you never will

It's too much to bear (too much to bear)

So I swear (this time I swear)

That this time

This is the end (I mean it baby)

[Chorus]

N.C.

Oh

Said I'm gonna leave

But I'm never leavin'

Now I know that I really don't need you

Had your fun, now the party's done

And you beg on the floor, as I walk out the door

Boy we're through

N.C.

Oh

All the tears I've cried, all the lonely nights

Boy I lost my mind

But now I'm sure (now I'm sure now I'm sure)

You can say all you want but love isn't here anymore

[Verse]

And I won't be missing, missing you

And no one can love you

The way I used to do

But love isn't fair (love isn't fair)

And I swear

That this time

This is the end

[Outro]

Oh

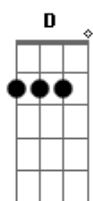

I promise baby

This is the end

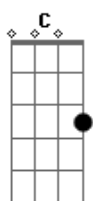

You know it's the end

Oh, hey, yeah
