

Little Mix - Womans World

Tom: G

Every day she tells her daughter
 "Baby, you're not just a pretty face"
 She says, "You gotta work much harder
 Than every single man, that's just the way"

But she goes to the same job every day
 She's overworked and underpaid
 Just 'cause the way her body's made
 Ain't that insane?

If you never been told how you gotta be
 What you gotta wear, how you gotta speak
 If you never shouted to be heard

You ain't lived in a woman's world
 And if you can't see that it's gonna change
 Only want the body and not the brains
 If you think that's the way it works
 You ain't lived in a woman's world, no
 Try living, try, try living (Oh, no)
 Try living, try, try living (Oh)
 Try living in a woman's world

Every night she tells her daughter
 "Don't you know a change is gonna come?"
 There's a whisper in the water
 And I know the tide is gonna turn, no, no, no

But she goes to the same job every day
 She's overworked and underpaid
 Just 'cause the way her body's made
 Ain't that insane?

If you never been told how you gotta be
 What you gotta wear, how you gotta speak
 If you never shouted to be heard

You ain't lived in a woman's world
 And if you can't see that it's gonna change
 Only want the body and not the brains
 If you think that's the way it works
 You ain't lived in a woman's world, uh-huh
 Just look at how far that we've got (That we've got)
 And don't think that we'll ever stop
 This ain't the way it's gonna be (Ain't the way it's gonna be)
 No, this ain't the way it's got to be (oh, oh)
 Know that there will be a day (Oh, yeah)
 When everyone's treat the same (No, oh)
 It's the only way it's gotta be (Only way it's got to be)
 It's the one way it's gotta be, yeah, yeah, yeah, yeah

If you never been told how you gotta be
 What you gotta wear, how you gotta speak
 If you never shouted to be heard
 You ain't lived in a woman's world
 And if you can't see that it's gonna change
 Only want the body and not the brains
 If you think that's the way it works
 You ain't lived in a woman's world
 (You ain't)
 Try living, try, try living (Living in a woman's world)
 Try living, try, try living
 In a woman's, in a woman's world (Oh, na, na, na)
 Try living, try, try living (Try living)
 Try living, try, try living (Yeah, ooh)
 In a woman's, in a woman's world (Oh)
 Gotta be a change
 Try living, try, try living
 You got to try
 Try living, try, try living
 Try
 Try living in a woman's, a woman's world
