

Liturgia em Canção - Bênção (Ofertório - Advento)

Tom: A
Intro: Bm A G Gb

Bm A
Noite e dia, longas madrugadas

E a semente espera.

Bm A
E o milagre antigo e sempre novo

Fecunda toda a terra.

D A Bm
Do grão morto e pisado, a vida nascerá:

D Gb B
Na mesa, eis o pão.

E B E B
Abençoa, oh! Senhor,

E B Gb
Nossa oferta, dá-nos tua paz

E B Abm B
E a unidade no teu corpo,

Db Gb Bm
Que se consuma também por nós.

Nossas vinhas, com o sol aberto,
Já estão florindo.

E o orvalho, no silêncio brota os primeiros frutos.

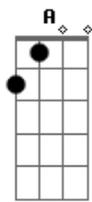

E as cores são mais vivas,

Acendem os grãos maduros:

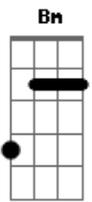

Na mesa, eis vinho.

Abençoa, oh! Senhor,
Nossa oferta, dá-nos tua paz
E a unidade no teu sangue,
Que se consuma também por nós.
