

Live - Dolphin's Cry

tom: F

[intro]

The way you're bathed in light, reminds me of that night
 God laid me down into your ro-se garden of trust
 And I was swept away, with nothin' left to say
 Some helpless fool yeah I was lo-st in a swoon of peace
 You're all I need to find, so when the time is right
 Come to me sweetly, come to me-ee
 Come to me
 Love will lead us, alright
 Love will lead us, she will lead us
 Can you hear the dolphin's cry?
 See the road rise up to meet us
 It's in the air we breathe tonight
 Love will lead us, she will lead us

Oh yeah, we meet again, it's like we never left
 Time in between was just a dre-eam, did we leave this

place?

This crazy fog surrounds me, you wrap your legs around me
 All I can do to try and bre-eathe, let me breathe so
 that I
 So we can go together!

Love will lead us, alright
 Love will lead us, she will lead us
 Can you hear the dolphin's cry?
 See the road rise up to meet us
 It's in the air we breathe tonight
 Love will lead us, she will lead us

Life is like a shooting star, it don't matter who you are
 If you only run for cover. It's just a waste of
 Time. We are lost 'til we are found
 This phoenix rises up from the ground
 And all these wars are over
