

Live - Dolphin's Cry

```
tom:
                                                                            A2
                                                                                           Dbm
                                                                                                            A2
                                                                 This crazy fog surrounds me, you wrap your legs around me Dbm A2 E B2 Gb
         [intro]
                                                                    All I can do to try and bre-eathe, let me breathe so
                                                                 So we can go together!
                                           A2
                                Dbm
The way you're bathed in light, reminds me of that night Dbm A2 E B2 Dbm
  God laid me down into your ro-se garden of trust
                                                                    Love will lead us, alright
        A2 Dbm
                                 A2
And I was swept away, with nothin' left to say
                                                                    Love will lead us, she will lead us
                          E B2
               A2
                                             Dbm
  Some helpless fool yeah I was lo-st in a swoon of peace
                                                                    Can you hear the dolphin's cry?
                       Dbm
                                      A2
You're all I need to find, so when the time is right Dbm A2 E B2
                                                                    See the road rise up to meet us % \left\{ 1,2,\ldots ,n\right\}
  Come to me sweetly, come to me-ee
                                                                    It's in the air we breathe tonight
Come to me
                                                                    Love will lead us, she will lead us
  Love will lead us, alright
                                                                                   B2
                                                                   Life is like a shooting star, it don't matter who you are
   Love will lead us, she will lead us
                                                                 If you only run for cover. It's just a waste of
   Can you hear the dolphin's cry?
                                                                 Time. We are lost 'til we are found
Gb
   See the road rise up to meet us
                                                                                    A2
                                                                 This phoenix rises up from the ground
   It's in the air we breathe tonight
                                                                 And all these wars are over
   Love will lead us, she will lead us
                                                              ( Dbm A2
                                                                           Dbm A2
                                                                                       Dbm A2 E B2)
