tom:
 A
 Live - Pain Lies on the Riverside

Em Am
 I have never taken life

Em Am
 Yet I have often paid the price

Em Am
 And you, you are a victim of this age

Em
 And the guilt that hangs around your neck

Am
 Has got me locked up in a cage

C D Em
 You've to to learn to live until no end

C D
 But first you must learn to swim

E
 All over again

Because

Em Am
 Pain lies on the riverside

Em Am
 And pain will never say goodbye

Em Am
 Pain lies on the riverside

E F x2 G x4

So put your feet in the water now
 E F G
 Put your head in the water now

Em
 Put your soul in the water

F G E
 And join me for a swim tonight

Em Am
 I have forever, always tried

Em Am
 To stay clean and constantly baptized

Em Am
 I am aware that the river's banks are dry

Em
 And to wait for a flood

Am
 Is to wait for life

C D Em
 I've got to learn to live until no end

C D
 But first I must learn to swim all

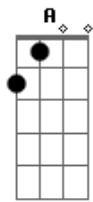

E
 Over again

Because

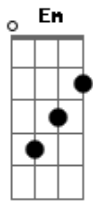

Em Am
 Pain lies on the riverside
