tom:

G

Dbm **B**
Bring back that "hair-down",
Dbm **B**
Unguarded mystery
Dbm **B** **A**
I liked it better when your tightrope walked on me

Dbm **B**
Board up my window,
Dbm **B**
Prepare for a hurricane
Dbm **B** **A**
You have a way of breaking through my barricade
A
You give me all-new games to play

Db **B** **Ab** **A**
You set me soul free
Db **B** **Ab** **A**
Now every word that she speaks to me is pure gold
Db **B** **Ab** **A**
She set my soul free
Gb
She give me love, give me hope,
B **Db**
Give me strength to bear my faults for you

Dbm **B**
Was my intention
Dbm **B**
To take control again?
Dbm **B** **A**
Somehow you got me on the ropes of my own plan

Dbm **B**
To turn up the volume
Dbm **B**
And make you dance for me

Dbm **B** **A**
Release some pressure so that I can turn and see
A
Spirit manifests as "She"

Db **B** **Ab** **A**
You set me soul free
Db **B** **Ab** **A**
Now every word that she speaks to me is pure gold
Db **B** **Ab** **A**
She set my soul free
Gb
She give me love, give me hope,
B **Db**
Give me strength to bear my faults for you

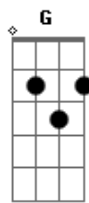

Db **B**
Like a flower
Gb **Db**
I can see but I can't feel
Gb **B**
Oh yeah

Db
And nothing that you do
B
Could ever make me run,
Gb
Run away from you

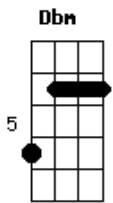

I never knew, I never knew she could

Db **B** **Ab** **A**
You set me soul free
Db **B** **Ab** **A**
Now every word that she speaks to me is pure gold
Db **B** **Ab** **A**
She set my soul free
Gb
She give me love, give me hope,
B **Db**
Give me strength to bear my faults for you
