

Liz Lokre - Stop Runnin'

tom:
Capostrate na 1ª casa
Intro: Gb

[Primeira Parte]

What did you say
To make all my dreams change
To make me feel like coming home
What did you say
To make me fall this way
Your heart's the only place I wanna go

[Pré-Refrão]

So maybe we could stop runnin?
We could stop runnin' tonight
So maybe we could stop runnin'
We could stop runnin? tonight

[Refrão]

Maybe in the morning
I'll be broken hearted
But baby, tonight the wait is over
Tonight I wanna hold you
Go back to where we started
They say home is where the heart is
So baby, tonight the wait is over
Tonight I wanna show you
That we could stop runnin'
We could stop runnin' tonight

[Segunda Parte]

Love was just
A game we played sometimes
Adjust the figment of my mind
I need to truuuuuust that love won't pass me by
I'll let my guards down one last time

[Pré-Refrão]

So maybe we could stop runnin'
Stop runnin' tonight

[Refrão]

Maybe in the morning
I'll be broken hearted
But baby, tonight the wait is over
Tonight I wanna hold you
Go back to where we started
They say home is where the heart is
So baby, tonight the wait is over
Tonight I wanna show you
ØHhhhhhhhhhh (we could stop, we could stop)
Øhhhhhhhhhhhhhhhh (we could stop, we could stop runnin' tonight)
So we could stop runnin?
We could stop runnin' tonight
So we could stop runnin?, we could stop runnin' tonight
Uh-uh stop runnin', stop runnin'
