

# Lizia - Baby Stay

Tom: D

Em Bm  
Cause today I woke up so alone  
D A  
And I needed a hug  
Em Bm  
And you come to me  
D A  
Like a soft kiss  
Em Bm  
And babe you love me

Em Bm  
Hey come to me  
D A  
And blow me with a kiss  
Em Bm  
Hey, don't give it up of the  
Things you deserve

Em Bm  
Hey, why'd you go?  
D A  
I need you so much  
Em Bm  
Baby don't let me go

D A  
Baby don't go  
Em Bm  
Hey why'd you go?  
Bm D  
I breath your love  
D  
Baby don't let me alone  
A  
Baby stay

Em Bm  
If you can need someone  
D A  
You know that you deserve this love  
Em Bm  
And I miss you so much like the fishes  
D A  
Needs the water and the sky needs  
Em Em  
The shines of the sun

Hey why'd you go away?  
I wanted you to stay  
Baby why'd you go?  
I love you so
