[Primeira Parte]

I just took a DNA test, turns out I'm 100% that bitch
Even when I'm crying crazy
Yeah, I got boy problems, that's the human in me
Bling bling, then I solve 'em, that's the goddess in me
You coulda had a bad bitch, non-committal
Help you with your career just a little
You're 'posed to hold me down, but you're holding me back
And that's the sound of me not calling you back
