tom:

Intro: C Am Em Em

C Am  
Does this make sense to you?

Em  
Cause it doesn't make sense to me

C Am  
Does this have weight for you?

Em  
Cause it doesn't have weight for me

C Am  
And i think my mind is far away

Em  
Sort of strange, this is  
But i think i'll call you anyway  
Call collect, cause baby this is

An over the ocean call  
And i thought i could make it short  
But my brain's all out of sorts  
I can't hide it  
I'm staring at my wall  
And i thought that i wouldn't cry  
But breaking your heart breaks mine  
I can't hide it  
An over the ocean call  
Is how i told him  
This isn't working anymore

I needed space from you  
But this doesn't look like space to me  
You hate the things i do  
And sometimes you hate me

But i think my mind is far away  
Sort of strange, this is  
But i think i'll call you anyway  
Call collect, cause baby this is

An over the ocean call  
And i thought i could make it short  
But my brain's all out of sorts  
I can't hide it  
I'm staring at my wall  
And i thought that i wouldn't cry  
But breaking your heart breaks mine  
I can't hide it  
Over the ocean call  
Is how i told him  
This isn't working anymore

I'm fine, i'm fine, i'm fine  
I'll call from over the ocean  
This time, this time, this time  
I'll break your heart through the phone, i  
(repeat once louder)

I'll break your heart through the phone  
With an

Over the ocean call  
And i thought i could make it short  
But my brain's all out of sorts  
I can't hide it  
I'm staring at my wall  
And i thought that i wouldn't cry  
But breaking your heart breaks mine  
I can't hide it  
An over the ocean call  
Is how i told him  
This isn't working anymore
