

# Lizzy McAlpine - Reckless Driving

tom:

C

I didn't mean to kiss you Am

F

I mean I did, but I didn't think it'd go this far

C Am

I didn't mean to kiss you

F

Now you can't focus on the road when I'm in your car

G

Now we're going one hundred

Am G

Your hands aren't on the wheel

F

'Cause you're just staring at me like you're not convinced that I am real

G

And now we're at one-eighty

Am G

And I can finally see

F

But then it's over in a second

D

Crashed the car into the tree

F

Yeah, I can see it all happen

G

You'd rather die than take your eyes off me

C

I don't love you like that

Am

I'm a careful driver

F G

And I tell you all the time to keep your eyes on the road

C

But you love me like that

Am

You're a reckless driver

F G

And one day it will kill us if I don't let go

C

I don't know how to tell you

Am

That I feel safe when you sit shotgun

F

Never felt this way with no one

C Am

And I lie when I tell ya

F

I know exactly where we're going

I get lost just for this moment

G

Now we're at one hundred

Am G

My hands aren't on the wheel (my hands aren't on the wheel)

F

And I don't wanna lose this moment

Want you to know just how I feel (just how I feel)

G

Now we're at one eighty

Am G

And I can finally see

F

But then it's over in a second

D

Crashed the car into the tree

F

I don't know how it happened

G

Guess I'd die to keep your eyes on me

C

'Cause I love you like that

Am

I'm a reckless driver

F G

And you tell you all the time to keep my eyes on the road

C

Do you love me like that?

Am

If I keep on driving

F G

Would you hold me when we crash or would you let me go?

Ab F

Don't wanna scrape you off the pavement

C

I can't be your savior

I don't wanna be here when you lose control

Ab F

Don't wanna watch it as it happens

C

See the crowd's reaction

I don't wanna be here when you kill us both

Ab

'Cause I don't love you like that ('cause I love you like that)

F

I'm a careful driver (I'm a reckless driver)

C

And I tell you all the time to keep your eyes on the road (And you tell me all the time to keep my eyes...)

Ab

But you love me like that (do you love me like that?)

F

You're a reckless driver (if I keep on driving)

C

And one day it will kill us if I don't let go (Would you hold me when we crash?)

Ab

'Cause I don't love you like that ('cause I love you like that)

F

I'm a careful driver (I'm a reckless driver)

C

And I tell you all the time to keep your eyes on the road (And you tell me all the time to keep my eyes...)

Ab

But you love me like that (do you love me like that?)

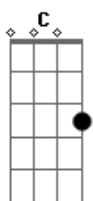

F

You're a reckless driver (I'm a reckless driver)

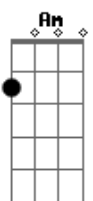

C

And one day it will kill us if I
