

Lizzy McAlpine - Spring Into Summer

tom:
 Spring into summer, and the winter's gone
 I try to hold onto it, but the current's too strong
 Somebody finds me in the state I am
 Love you like I mean it when I know I can't
 (D G D G)

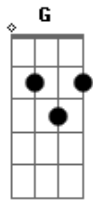

Hold it against me, cool to the touch
 Nobody knows what it's like to be us
 Somebody finds me in the shallow end
 Love you like I mean it just because I can
 (D G D G)
 (D G Em G)

Bridge over water, I am jumpin' off (Mm)
 Taking a picture of all the people close to us
 Head below the surface, almost never certain of the truth

I'm always, forever, runnin' back to you (You, ooh)
 Runnin' back to you (Ooh)
 Runnin' back to you
 You're always gonna be someone that I want (Ooh)
 We have too many years between us
 If I could jump into the past, I'd only change one thing
 I'd never hurt you first, I'd never let you leave
 And now I'm here forever, runnin' back to you
 Always
 Summer is falling, it's a distant dream
 If I turn around, you're runnin' back to me
