

# Lô Borges - Dínamo

tom:

Intro: **B** **Gb** **Ab** **Bm**  
**B** **Gb** **Ab** **Bm**

**B** **Gb**  
 O sol nasceu de madrugada  
**Ab** **Bm**  
 E o céu ganhando tons de azul  
**B** **Gb**  
 Lembrei da nossa caminhada  
**Ab** **Bm**  
 Pelos confins da América do Sul

**Gb** **Ab7**  
 Chegamos onde não havia nada  
**Bm** **Gb**  
 Um mar de sal que refletia a luz

**Gb** **Ab7**  
 Uma cidade abandonada  
**Bm** **Gb** **Ab7** **B7M**  
 Seguimos vendo a olho nu

**B** **Gb**  
 Ao longo dessa trajetória  
**Ab** **Bm**

Ficamos cada vez mais próximos

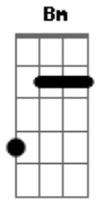

**B** **Gb**  
 Você contou a sua história  
**Ab** **Bm**  
 A sua história

**Gb** **Ab7**  
 Eu anotei cada detalhe mínimo  
**Bm** **Gb**  
 E trago tudo na memória  
**Gb** **Ab7** **Bm** **Dbm6** **Bm**  
 Porque você é o ímã do meu dínamo

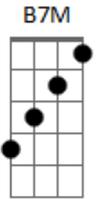

**B** **Gb** **Ab** **Bm**  
 Yeah, yeah, yeah

**B** **Gb** **Ab** **Bm**  
 Yeah, yeah, yeah
