

Lô Borges - Viver, Viver

tom:

D

D

Mil dias mais

Mil sonhos mais

Mil anos luz num dia

As ruas são

Meu mundo são

Mil vidas mais

Viver, viver

Tudo que Deus dará

Afim de ver

Mentes e corações

Abertos pra dizer

Ao modo de seu tempo

Eu sei viver assim

Vou do começo ao fim

Viver, morrer

Fontes da mesma luz

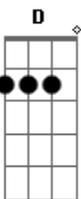

O som, a voz, o meio dia

Teu sonho amor

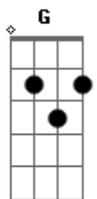

Pessoas mil

Mil ideais num dia

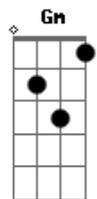

Acordes

O sonho tem

Mil coisas mais

Deserto e cais

Viver, viver

Tudo que o mundo tem

Saber viver

Tudo que a gente é

Dourar de sol a melodia

(D D G Bb)

(D D G Bb)

(D D G Bb)

Tudo que Deus dará

Afim de ver

Mentes e corações

Abertos às manhãs

E a ao sabor dos ventos

Crescer e arriscar

Tudo que pode ser

Viver, morrer

Fontes da mesma luz

O som, a voz, a melodia
