

Lobo - Reason To Believe

tom:
Gb (forma dos acordes no tom de G)
Afinação: Eb Ab Db Gb Bb Eb

Intro: Eb Bb Cm Ab Bb
If I listened long enough to you
I'd find the way to believe that it's all true
Knowing that you lied straight faced while I cried
Still I looked to find the reason to believe

Someone like you makes it hard to live without somebody else
If I give you time to change my mind
I'd find the way to leave the past behind
Knowing that you lied straight faced while I cried
Still I looked to find the reason to believe

Someone like you makes it hard to live without somebody else
If I give you time to change my mind
I'd find the way to leave the past behind
Knowing that you lied straight faced while I cried
Still I looked to find the reason to believe

Someone like you makes it hard to live without somebody else
If I give you time to change my mind
I'd find the way to leave the past behind
Knowing that you lied straight faced while I cried
Still I looked to find the reason to believe
I looked to find the reason to believe
Give me hope to find the reason to believe
