Logic - By The Bridge

```
                              tom:
                    C
Intro: Am  G  Am  G
        Am  G  Am  G
```

[Primeira Parte]

```
Am
Hey there, are you listenin'?
G                             F
I just found a dead man by the bridge again
E
By the bridge again
Am
Spread your wings and take the leap
 G                              Am
Spill your blood all on the street by the bridge again
 G
By the bridge again
  Am
Why isn't anybody listening
 G                          F
This world is so beautiful, but then again
  E
But then again
```

[Refrão]

```
Am                 G
It feels like everywhere I go
Am                 G
I'm searching for something inside my soul
Am           G
If I never find what I'm searching for
F                   E
Would you still love me or let me go?
Am                 G
It feels like everywhere I go
Am                 G
I'm searching for something inside my soul
Am           G
If I never find what I'm searching for
F                   E
Would you still love me or let me go?
( Am  G  Am )
( G  Am  G )
```

```
( F   E   Am   G )
( F   E   Am   G )
( F   E   Am   G )
( F   E   Em )
```
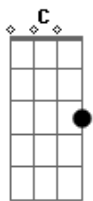

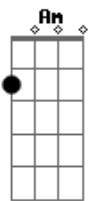

[Segunda Parte]

```
Am
Hey there, are you listenin'?
G                             F
I just found a dead man by the bridge again
E
By the bridge again
Am
Spread your wings and take the leap
 G                                Am
Spill your blood all on the street by the bridge again
 G
By the bridge again
  Am
Why isn't anybody listening
 G                          F
This world is so beautiful, but then again
  E
But then again
```
[Refrão]

```
Am                 G
It feels like everywhere I go
Am                 G
I'm searching for something inside my soul
Am           G
If I never find what I'm searching for
F                   E
Would you still love me or let me go?
Am                 G
It feels like everywhere I go
Am                 G
I'm searching for something inside my soul
Am           G
If I never find what I'm searching for
F                   E
Would you still love me or let me go?
```
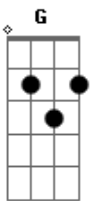

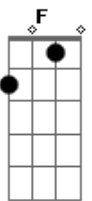

```
[Final] Am  G  Am  G
        Am  G  F  E
```
