

Loi - I Follow

tom:

Intro: C

C G
All for you, my whole life all for you

Am
We were living in a dream

F
One day, we'll love the truth

C G
And all for you, my whole life, all for you

Am F
And every coming day, for now I have to let you go

Dm7 F
But no more walls will stop me on my way to you

Am
I'm just gonna break on through

G
I'm just gonna break on through

Dm7 F
And I will reach the stars and bring them back to you

Am G
And trust me, I will always catch you if you fall

C
Everywhere you go, I follow

G
And everywhere you are is my home

Am F
And every single day I want to make you smile

C
And everywhere you go, I follow

G
And everywhere you are is my home

Am F
And all the stars can fall, I'll never leave your side

C
I would lie for you, oh, I would die for you

Am7 F
I will cross a thousand bridges just to be with you

C G
'Cause loving you is all I have to

Am F
And nothing in this world can tear my heart in two
