

Lola Young - Bad Game (3AM)

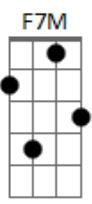

tom:
C
Dm F
You snapped the back bone of my heart
G Dm F G
Had no audacity to break it
Dm F
You loved the pigment of my scars
G Dm F G
Yet your the one who made them

Dm7 F7M
You're a liar
G Dm
As if it was an art dressed me in designer
F G Dm F
What about my heart I've been crying
G Dm7 F
Like my face should stay red for you fighting
G
Like my fists should stay closed

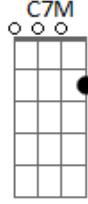

Dm7 F7M
And oh
Am G
It's a bad game of love we're in
Dm7 F
Oh oh oh
Am G
So tell me why do I long to win
Dm7 F
Oh
Am G
It's a bad game of love we're in
Am G C7M
And I keep losing, I keep losing, losing

Dm7 F
You stole the backbone of my mind
G Dm7 F7M
Had no audacity to give it back
