

## Lola Young - CAN WE IGNORE IT? :(

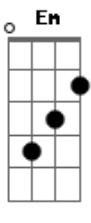

tom:  
Em  
Intro: Em Em B C Am

Em C7  
I play with fire, kinda like the way I feel when it burns  
Am Em Em C7  
If I'm bein' honest, I'll take anything as long as it hurts  
Am Em Em C7  
I need a doctor, got a sickness, and it's just getting  
worse  
Am Em  
I said: I think I'm dying, he said  
Em C7  
Darling, you've been dying since birth

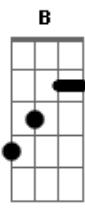

Em G7 C7  
By the way, I don't have much to give  
Em  
It's all the same, this ain't no way to live  
C7  
And every day I get up and run 'round in circles  
Em Dm C7  
Can we ignore it, baby, even for just one day?  
G7  
Don't wanna talk about it, I just put on my face  
C7  
And if you love me like you say, you'll let me escape

Em C7  
I need a little bit of something to take off the edg?  
Am Em  
I mean, realistically, I just need a new s?t  
Of friends (they don't care, they don't care)  
Am Em  
I got shut down in therapy, he said there's people  
C7  
Who need real help (I need you to need me, darling)  
Am Em Em C7 Am  
(Ah) What a waste of my fucking money, I'll just do it myself
