

# Lola Young - SPIDERS

tom:  
Intro: C F Dm C

[Primeira Parte]

Can you take, take it off my hands?  
To make me feel like I had something planned  
And blame, blame it on the gods  
So we don't feel like we did something wrong  
I'll drive, drive to your house  
You kissed me slow like you don't have any doubts

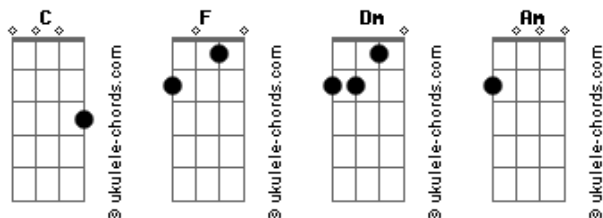

[Refrão]

Get in your car, don't cause a scene  
Make me feel like I'm not incomplete for once  
'Cause I'm not a woman if I don't have you  
I'm not a woman if I don't have you  
And you're not a man if you don't have me  
( F Dm C )

[Segunda Parte]

Please, kill, kill all the spiders

## Acordes

'Cause they're in our room and with  
Them I can't sleep beside you  
Don't say, don't say a lie  
'Cause I'll see the truth behind your dark brown eyes  
And then empty me right to the core  
And suck me dry, suck me dry like you did before

[Refrão]

Get in your car but don't cause a scene  
Make me feel like I'm not incomplete for once  
'Cause I'm not a woman if I don't have you  
I'm not a woman if I don't have you  
And you're not a man if you don't have  
Get into bed but don't fall asleep  
Make me feel like I'm not incomplete for once  
'Cause I'm not a woman if I don't have you  
I'm not a woman if I don't have you  
And you're not a man if you don't have me  
If you don't have me  
If you don't have me
