

Lola Young - who f**king cares?

tom:
G (forma dos acordes no tom de E)
Capostraste na 3ª casa
Intro: Bb

[Primeira Parte]

Gm7 Eb Bb
Nowadays, I don't really go outside
Gm7 Eb
I don't even like the way I look, let alone the way I feel behind

Gm7
And I should probably take my medication
Eb Bb
'Cause it's been days but I've been busy getting high
Gm7 Eb
Bb And my doctor said, "You'll get sick again, you can't mix these meds with white lines"

[Pré-Refrão]

Eb
And am I happy?
Bb F
Truth is, I don't really know what that means anymore

[Refrão]

Gm7 Eb
Bb All I know is that I'd like to be and someday I might get there
Gm7
In the meantime, I'll cry to Radiohead hoping my ex still cares, but
Eb Bb
That's unlikely, he's probably having great sex

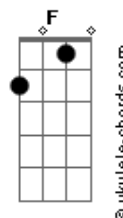

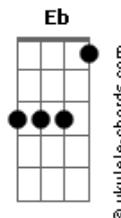

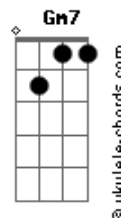

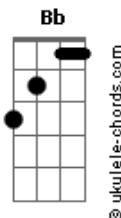

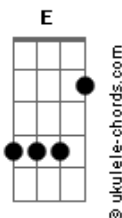

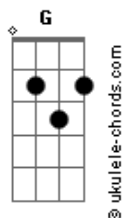

With that girl I knew was an idiot the one, with the bleached blonde hair

Gm7 Eb Bb
And I don't know if I'll ever forgive myself if I go ruin everything

Gm7 Eb
That I'd like to be and someday I might get there
Bb Eb Bb
But in the meantime, who fucking cares?

[Segunda Parte]

Acordes

Gm7 Eb Bb
Nowadays, it's hard to feel alive
Gm7 Eb Bb
When the only way I want to live is to try and slowly die N.C.
Gm7
And I should probably find a new explanation

Eb Bb
'Cause it's been days and I'm running out of lies
Gm7
My heart, it aches but as it starts to race
Bb Eb Bb
I can feel a taste of what its like

[Pré-Refrão]

Eb
To be happy
Bb F
When truth is don't really know what that means anymore

[Refrão]

Gm7 Eb
But all I know is that I'd like to be and someday I might get there

Bb
But in the meantime, I'll cry to Radiohead hoping my ex still cares, but

Gm7 Eb
That's unlikely, he's definitely having great sex

Bb
With that girl I knew was an idiot the one, with the bleached blonde hair

Gm7 Eb Bb
And I don't know if I'll ever forgive myself if I go ruin everything

Gm7 Eb
That I'd like to be and someday I might get there
Bb Gm7 Eb
But in the meantime, who fucking cares?

[Final]

Bb
Who fucking cares?

Gm7 Eb
Who fucking cares?

Bb
Who fucking cares?

'Cause it's definitely not me
