

# London Grammar - Rooting For You

Tom: **D**

**D**  
Let winter break  
**C** **D**  
Let it burn 'til I see you again  
**D**  
I will be here with you  
**Bb** **C** **D**  
Just like I told you I would  
**D**  
I'd love to always love you  
**Bb**  
But I'm scared of loneliness  
**C** **D**  
When I'm, when I'm alone with you

[Chorus]

**A**  
I know it's hard  
**Bm** **A7** **D**  
Only you and I  
**A**  
Is it all for me?  
**Bm** **A7** **D**  
Because I know it's all for you  
  
And I guess, I guess  
**G** **A** **Bm** **A7** **D**  
It is only you, are the only thing I've ever truly known  
**G** **Gm**  
So I hesitate, if I can act the same  
**D**  
For you  
**Bb** **C** **D**  
And my darlin', I'll be rooting for you  
**Bb** **C** **D**

And my darlin', I'll be rooting for you

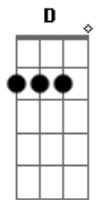

[Verse 2]

**D**  
And where did she go?  
**Bb** **C** **D**  
Truth left us long ago  
**D** **C** **D**  
And I need her tonight because I'm scared of loneliness with you baby  
**C**  
And I should let it go  
**F** **G** **F** **G**  
**D**  
But all that is left is my perspective, broken and so left behind again

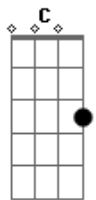

[Chorus]

**A**  
I know it's hard  
**Bm** **A7** **D**  
Only you and I  
**A**  
Is it all for me?  
**Bm** **A7** **D**  
Because I know it's all for you  
  
And I guess, I guess  
**G** **A** **Bm** **A7** **D**  
It is only you, are the only thing I've ever truly known  
**G** **Gm**  
So I hesitate, if I can act the same  
**D**  
For you  
**Bb** **C** **D**  
And my darlin', I'll be rooting for you  
**F** **G** **D**  
And my darlin', I'll be rooting for you
