

Lord Rock Band - (if You Want) You Can Stay

Tom: C

Riff: G C G C G C G

Sometimes my heart wants to bleed
And I don't know the reason indeed
But I think is missing someone
Who came into my soul and I didn't know

Sometimes my eyes want to cry
And I don't know the reason why
But I think is missing someone
Who came into my mind and I didn't know

BRIDGE CHORUS

Sometimes my soul wants to disappear
And I don't know why the reason isn't clear
But I think is missing someone

Who came into my heart and I didn't know

BRIDGE:

I tried to get you off of my heart and of my eyes
But when you smile, I don't know what to think
I tried to get you off of my soul and of my mind
But I surrender when your eyes shine and blink

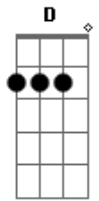

CHORUS:

This cycle, I tried to break up
But now, I gave up
So I just can say:
If you want, you can stay

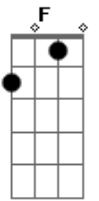

END CHORUS:

This cycle, I tried to break up
But now, I wake up
So I just can say:
If you want, you can stay
