

Lorde - Glory And Gore

Tom: C

There's a humming in the restless summer air
 And we're slipping off the course that we prepared
 But in all chaos, there is calculation
 Dropping glasses just to hear them break

You've been drinking like the world was gonna end (it didn't)
 Took a shiner from the fist of your best friend (go figure)
 It's clear that someone's gotta go
 We mean it but I promise we're not mean

Pre-Chorus
 And the cry goes out (Ah-Ah)
 They lose their minds for us (Ah-Ah)
 And how it plays out (Ah-Ah)
 Now we're in the ring

And we're coming for blood

tabrefrão
 (Oh- Oh)

You could try and take us (Oh-Oh)
 But we're the gladiators (Oh-Oh)

Everyone a rager (Oh-Oh)

But secretly they're saviors
 Glory and gore go hand in hand
 That's why we're making headlines (Oh-Oh)
 You could try and take us (Oh-Oh)

But victory's contagious
 refrão

verse 2: Same as verse 1

Delicate in every way but one (the swordplay)
 God knows we like archaic kinds of fun (the old way)
 Chance is the only game I play with, baby

We let our battles choose us

Pre-Chorus

Chorus

Bridge: A capella

No-one round here's good at keeping their eyes closed
 The sun's starting to light up when we're walking home
 Tired little laughs, gold-lie promises, we'll always win at this
 I don't ever think about death
 It's alright if you do, it's fine
 We gladiate but I guess we're really fighting ourselves
 Roughing up our minds so we're ready when the kill time comes
 Wide awake in bed, words in my brain,
 "Secretly you love this do you even wanna go free?"
 Let me in the ring, I'll show you what that big word means
