

Lorde - Still Sane

Tom: C

C G Am
Today is my birthday and I'm riding high
C G Am
Hair is dripping, hiding that I'm terrified
C G Am
But this is summer, playing dumber than in fall
C G F
Everything I say falls right back into everything
C G
I'm not in the swing of things

But what I really mean is
Am G
Not in the swing of things yet

C
Riding around on the bikes, we're still sane
G
I won't be her, tripping over onstage
Am F
Hey, it's all cool
C
I still like hotels but I think that'll change
G
Still like hotels and my new-found fame
Am F
Hey, promise I can stay good

G
(Everything feels right)
F
I'm little but I'm coming for the crown

I'm little but I'm coming for you
G
(Chase paper, get it)
F
I'm little but I'm coming for the title
G
Held by everyone who's up

C
All work and no play
G
Never made me lose it
Am
All business, all day
F G
Keeps me up a level
C

All work and no play
G Am F G
Keeps me on the new shit, yeah
C
All work and no play
G
Let me count the bruises
Am
All business, all day
F G
Keeps me up a level
C
All work and no play
G Am G
Lonely on that new shit, yeah, yeah

C G
Only bad people live to see
Am F G
Their likeness set in stone
C G
Only bad people live to see
Am G
Their likeness set in stone

What does that make me?

C G
I'm not in the swing of things

But what I really mean is
Am F
Not in the swing of things yet
C G
I'm not in the swing of things

But what I really mean is
Am F G
Not in the swing of things yet

C
All work and no play
G
Never made me lose it
Am
All business, all day
F G
Keeps me up a level
C
All work and no play
G Am G
Keeps me on the new shit, yeah
