

Lorde - Supercut

Tom: C

In my head, I play a supercut of us
All the magic we gave off, all the love we had and lost
And in my head, the visions never stop
These ribbons wrap me up, but when I reach for you, there's just a supercut
In your car, the radio up
In your car, the radio up
We keep trying to talk about us
I'm someone you maybe might love
I'll be your quiet afternoon crush
Be your violent overnight rush
Make you crazy over my touch
But it's just a supercut of us, supercut of us
Oh it's just a supercut of us, supercut of us
So I fall, into continents and cars
All the stages and the stars, I turn all of it to just a supercut
Cause in my head (in my head, I do everything right)
When you call (when you call, I'll forgive and not fight)
Because ours are the moments, I play in the dark
We were wild and fluorescent, come home to my heart
In your car, the radio up
In your car, the radio up
We keep trying to talk about us

Slow motion, I'm watching our love
I'll be your quiet afternoon crush
Be your violent overnight rush
Make you crazy over my touch
But it's just a supercut of us, supercut of us
Oh it's just a supercut of us, supercut of us
But it's just a supercut of us, supercut of us
Oh it's just a supercut of us, supercut of us
Cause in my head, in my head, I do everything right
When you call I'll forgive and not fight
All the moments I play in the dark
Wild and fluorescent, come home to my heart
Cause in my head (in my head, I do everything right)
When you call (when you call, I'll forgive and not fight)
Because ours are the moments, I play in the dark
We were wild and fluorescent, come home to my heart
Cause in my head (in my head, I do everything right)
When you call (when you call, I'll forgive and not fight)
Because ours are the moments, I play in the dark
We were wild and fluorescent, come home to my heart
In my head, I do everything right
In my head, I do everything right
