E
Wait 'til you're announced
We've not yet lost all our graces
The hounds will stay in chains
Look upon your greatness
That you'll send
The call I'll send

E
Call all the ladies out
E
They're in their finery

Dbm
A hundreds jewels on throats
B
A hundred jewels between teeth
E
Now bring my boys in
E
Their skin in craters like the moon
Dbm **B**
The moon we love like a brother, while he glows through the room

E
Dancin' around the lies we tell
E
Dancin' around big eyes as well
Dbm **B**
Even the comatose they don't dance and tell

[Chorus]
A **Dbm**
We live in cities you'll never see on screen
B
Not very pretty, but we sure know how to run free
A **Dbm**
Living in ruins of the palace within my dreams
B
And you know, we're on each other's team

A **Dbm** **B**
I'm kind of over getting told to throw my hands up in the air,
so there

E **Dbm**
B
So all the cups got broke shards beneath our feet but it
wasn't my fault
E **Dbm**
And everyone's competing for a love they won't receive
B
'Cause what this palace wants is release

[Chorus]
A **Dbm**
We live in cities you'll never see on screen
B
Not very pretty, but we sure know how to run free
A **Dbm**
Living in ruins of the palace within my dreams
B
And you know, we're on each other's team

A **Dbm** **B**
I'm kind of over getting told to throw my hands up in the air,
so there
A **Dbm** **B**
I'm kinda older than I was when I revelled without a care
So there

[Chorus]
A **Dbm**
We live in cities you'll never see on screen
B
Not very pretty, but we sure know how to run free
A **Dbm**
Living in ruins of the palace within my dreams
B
And you know, we're on each other's team
A **Dbm** **B**
And you know, we're on each other's team
A **Dbm** **B**
We're on each other's team
B **E**
And you know, and you know, and you know
