

# Lorde - Writer In The Dark

Tom: G

<sup>D</sup>  
Break the news, you're walking out  
<sup>C</sup>  
To be a good man for someone else  
<sup>D</sup> <sup>C</sup> <sup>C7M</sup>  
Sorry I was never good like you

<sup>D</sup>  
Stood on my chest and kept me down  
<sup>C</sup>  
Hated hearing my name on the lips of a crowd  
<sup>D</sup> <sup>C</sup>  
Did my best to exist just for you

[Pre-Refrão 1]

<sup>D</sup> <sup>C</sup>  
Bet you rue the day you kissed a writer in the dark  
<sup>D</sup> <sup>C</sup>  
Bet you rue the day you kissed a writer in the dark  
<sup>D</sup> <sup>C</sup>  
Now she's gonna play and sing and lock you in her heart  
<sup>D</sup> <sup>C</sup> <sup>G</sup>  
Bet you rue the day you kissed a writer in the dark

[Refrão 1]

<sup>G</sup> <sup>Am</sup> <sup>Em</sup>  
I am my mother's child, I'll love you 'til my breathing stops  
<sup>Am</sup> <sup>Em</sup> <sup>D</sup>  
I'll love you 'til you call the cops on me  
<sup>G</sup> <sup>Am</sup> <sup>Em</sup>  
But in our darkest hours, I stumbled on a secret power  
<sup>Am</sup> <sup>Em</sup> <sup>D</sup>  
I'll find a way to be without you, babe

[Verso 2]

<sup>D</sup>  
I still feel you, now and then  
<sup>C</sup>  
Slow like pseudoephedrine  
<sup>D</sup> <sup>C</sup> <sup>C7M</sup>

When you see me, will you say I've changed?

<sup>D</sup>  
I ride the subway, read the signs  
<sup>C</sup>  
I let the seasons change my mind  
<sup>G</sup> <sup>D</sup>  
I love it here since I've stopped needing you

[Pre-Refrão 2]

<sup>D</sup> <sup>C</sup>  
Bet you rue the day you kissed a writer in the dark  
<sup>D</sup> <sup>C</sup>  
Bet you rue the day you kissed a writer in the dark  
<sup>D</sup> <sup>C</sup>  
Now she's gonna play and sing and lock you in her heart  
<sup>D</sup> <sup>C</sup> <sup>G</sup>
