

## **Lorde - Writer In The Dark**

```
Tom: G
  Break the news, you're walking out
  To be a good man for someone else
 Sorry I was never good like you
  Stood on my chest and kept me down
Hated hearing my name on the lips of a crowd
 Did my best to exist just for you
[Pre-Refrão 1]
Bet you rue the day you kissed a writer in the dark
Bet you rue the day you kissed a writer in the dark
Now she's gonna play and sing and lock you in her heart
Bet you rue the day you kissed a writer in the dark
[Refrão 1]
 I am my mother's child, I'll love you 'til my breathing
I'll love you 'til you call the cops on me
                              Am
  But in our darkest hours, I stumbled on a secret power
I'll find a way to be without you, babe
[Verso 2]
 I still feel you, now and then
 Slow like pseudoephedrine
                                              C7M
```

```
When you see me, will you say I've changed?
 I ride the subway, read the signs
I let the seasons change my mind
I love it here since I've stopped needing you
[Pre-Refrão 2]
Bet you rue the day you kissed a writer in the dark
Bet you rue the day you kissed a writer in the dark
Now she's gonna play and sing and lock you in her heart
Bet you rue the day you kissed a writer in the dark
 I am my mother's child, I'll love you 'til my breathing
I'll love you 'til you call the cops on me
 But in our darkest hours, I stumbled on a secret power
I'll find a way to be without you, babe
[Refrão 3]
                              Αm
 I am my mother's child, I'll love you 'til my breathing
I'll love you 'til you call the cops on me
                             Αm
 But in our darkest hours, I stumbled on a secret power
I'll find a way to be without you, babe
[Outrol
G Am Em Am Em D
G Am Em Am Em D
