

# Loreena McKennitt - The Dark Night Of The Soul

Tom: G

m (forma dos acordes no tom de Em )

Capostrate na 3ª casa

Intro: Em D G  
C G Am D G  
Em D G  
C G Am D G

Em D G  
Upon a darkened night  
C G Am D G  
The flame of love was burning in my breast  
Em D G  
And by a lantern bright  
C G Am D G  
I fled my house while all in quiet rest

Em C G  
Shrouded by the night  
C G Am D  
And by the secret stair I quickly fled  
Em C D  
The veil concealed my eyes  
Em C G D G  
While all within lay quiet as the dead

Em D G  
Oh night thou was my guide  
Em C G D Em  
Oh night more loving than the rising sun  
C G  
Oh night that joined the lover

D  
To the beloved one  
Em C G D G  
Transforming each of them into the other

Em D G  
Upon that misty night  
C G Am D G  
In secrecy, beyond such mortal sight  
Em D G  
Without a guide or light  
C G Am D G  
Than that which burned so deeply in my heart

Em C G  
That fire t'was led me on  
C G Am D  
And shone more bright than of the midday sun  
Em C D  
To where he waited still  
Em C G D G  
It was a place where no one else could come

Em D G  
Oh night thou was my guide  
Em C G D Em  
Oh night more loving than the rising sun  
C G  
Oh night that joined the lover

D  
To the beloved one  
Em C G D G  
Transforming each of them into the other

( Em D G )  
( C G Am D G )  
( Em D G )  
( C G Am D G )

Em D G  
Within my pounding heart  
C G Am D G  
Which kept itself entirely for him  
Em D G  
He fell into his sleep  
C G Am D G  
Beneath the cedars all my love I gave  
Em C G  
And by the fortress walls  
C G Am D  
The wind would brush his hair against his brow  
Em C D  
And with its smoothest hand  
Em C G D G  
Caressed my every sense it would allow

Em D G  
Oh night thou was my guide  
Em C G D Em  
Oh night more loving than the rising sun  
C G  
Oh night that joined the lover

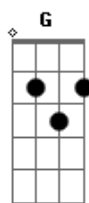

D  
To the beloved one  
Em C G D G  
Transforming each of them into the other

( Em D G )  
( C G Am D G )  
( Em D G )  
( C G Am D G )  
( Em D G )  
( C G Am D G )  
( Em D G )  
( C G Am D G )

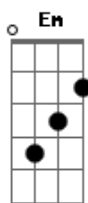

Em D G  
I lost myself to him  
C G Am D G  
And laid my face upon my lovers breast  
Em D G  
And care and grief grew dim  
C G Am D G  
As in the mornings mist became the light

Em C G D G  
There they dimmed amongst the lilies fair  
Em C G D Em  
There they dimmed amongst the lilies fair  
Em C G D G  
There they dimmed amongst the lilies fair
