

Lorenza Junqueira - Miracle

tom:

Intro: Ab Fm Cm Gm Cm

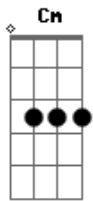

Everyday is just like a miracle
And I can barely undestand
So I listen close to Heaven's Voice
Some plans are just meant to fail
So I just let go the fear

And trust
God is never late

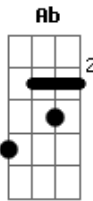

You know he always got my back
Got my back
God is never late

He always got my back

Never, never
His love, His grace is bigger than my problems
