I stole the intro from the "old" .tab, by (Bruno Garcia).

There are two guitars. One plays the rythm (and possibly a bit

in the  
 Intro: ) and the other one plays the lead guitar.

Chords - i'm not sure which form they use, but it's Em, **B7** and Am.

Try these:

Em:  022000	x79987	
B7:  x21202	797877	x24242
Am:  x02210	577555	

It is hard to make out what the lead guitar plays along with the singing. Listen to the record, or make it up yourselves.

--> INTRO AS TABBED BELOW    INTRO WITH RYTHM GUITAR    SOLO AS TABBED BELOW    ENDING AS TABBED BELOW

## Acordes

**B7**
