Before getting tired		Before getting sad
Before getting sad		Come and shake with us
Come and shake with us		Break plans tonight
Break plans tonight

But when the music starts		Don't stay there like a fool
Don't stay there like a fool		And break it all
And break it all		You listen me, break it all
You listen me, break it all		
	G	If you're alone and nobody shakes with you
If you're alone and nobody shakes with you		Oh, please don't mind and shake - oh yeah!

Do the shake, do the shake - oh yeah!		And break it all
And break it all		You listen me, break it all
You listen me, break it all		
	E	But when the music starts
But when the music starts		Don't stay there like a fool
Don't stay there like a fool		And break it all

You listen me, break it all		And break it all
And break it all		You listen me, break it all
You listen me, break it all		And break it all
And break it all		You listen me, break it all
You listen me, break it all
